Details of the Scheme

Overview

The Scheme provides an opportunity for certain growers of kiwifruit, Kiwiberry and avocado to acquire Shares funded by a loan from Seeka. The essential features of the Scheme, if you are offered participation in the Scheme and decide to participate in it, are:

- Shares will be issued to the Trustee on your behalf at the issue price described below under “[Issue Price](#)”. The number of Shares issued will be determined on the basis of production from your Orchard(s) in accordance with the provisions below under “[Issue of Shares](#)”. The Trustee will hold the Shares for you on trust but you will beneficially own the Shares. You will be able to direct the Trustee how to exercise all voting rights attaching to the Shares from the time they are issued to the Trustee on your behalf.
- The issue price will be funded by a loan made by Seeka to the Trustee on your behalf. That loan will be interest free, and you will be required to repay it only if you choose to take legal title to the Shares at the end of the relevant three season period (called a “[Supply Period](#)”). Any distributions paid by Seeka on the Shares will be applied (after tax) to reduce the loan.
- If all fruit produced from the Orchard(s) is supplied to Seeka during the Supply Period, you will be entitled to take legal title to the Shares if you repay the loan.
- You are not required to supply fruit to Seeka, or to repay the loan. The only consequence if you do not do so will be that you will not get legal title to the Shares (and your beneficial interest in the Shares will be acquired from you by the Trustee).

Further details of the Scheme are set out below, and in the Trust Deed and Scheme Rules referred to above under the heading “[Scheme Documents](#)”. You are encouraged to read all of those materials.

Summary of the Key Terms of the Scheme

Eligible Grower	In order to participate in the Scheme, you must be a person (or persons or legal entity) who is the registered owner of a kiwifruit, Kiwiberry or avocado Orchard, other than an Orchard leased to Seeka or one of its subsidiaries under a lease with a term of 10 years or more. You are the registered owner of an Orchard if you are the person (or persons or legal entity) in whose name the KPIN or PPIN for the Orchard is registered. You are not however entitled to participate if you or an Associated Person of you voted in favour of the resolution to approve the issue of shares and giving of financial assistance under the Scheme passed at the shareholders’ meeting held on 18 April 2024.
-----------------	--

Participation in the Scheme	If you are an Eligible Grower, a Participation Form can be completed online at www.seekashareoffer.com from 19 April 2024. Alternatively, an application can be made by completing a Participation Form and returning it to Seeka’s Share Registrar. Applications must be received by 5:00 pm on 3 May 2024 (“ Closing Date ”).
-----------------------------	--

By completing a Participation Form, you agree to participate in the Scheme in respect of the Orchard(s) listed in the Participation Form. Instructions on how to complete the Participation Form are set out under the heading “[Action to be taken by Growers](#)” on [page 8](#) and in the Participation Form.

-
- Issue of Shares If you complete and sign a Participation Form and return it to Seeka before the Closing Date, Seeka will issue to the Trustee on your behalf a number of Shares determined by the Board in accordance with the following principles:
- a) for production of Kiwifruit Green Conventional (Hayward Green, Wilkins, and Zespri Sweet Green) one Share for every 15 Class 1 trays produced in the season ended 30 June 2023 (“2023 Season”), based on the greater of (i) actual production and (ii) an assumed production of 5,000 trays for each canopy hectare in the 2023 Season;
 - b) for production of Kiwifruit Green Organic (Hayward Green Organic) one Share for every 15 Class 1 trays produced in the 2023 Season, based on the greater of (i) actual production and (ii) an assumed production of 4,000 trays for each canopy hectare in the 2023 Season;
 - c) for production of Kiwifruit Gold Conventional (Zespri SunGold) one Share for every 15 Class 1 trays produced in the 2023 Season, based on the greater of (i) actual production and (ii) an assumed production of 8,000 trays for each canopy hectare in the 2023 Season;
 - d) for production of Kiwifruit Gold Organic (Zespri SunGold Organic) one Share for every 15 Class 1 trays produced in the 2023 Season, based on the greater of (i) actual production and (ii) an assumed production of 5,000 trays for each canopy hectare in the 2023 Season;
 - e) for production of Kiwifruit Red (Zespri RubyRed) one Share for every 15 Class 1 trays produced in the 2023 Season, based on the greater of (i) actual production and (ii) an assumed production of 4,000 trays for each canopy hectare in the 2023 Season;
 - f) for production of Kiwiberry, one Share for every six Class 1 trays produced in the 2023 Season, based on the greater of (i) actual production and (ii) an assumed production of 5,000 trays for each canopy hectare in the 2023 Season;
 - g) for production of avocado, one Share for every two Class 1 trays, based on the production in the season ended 31 March 2024.

In determining allocations of Shares, the Board may make such determinations in respect of, or adjustments to, the principles set out above as the Board deems appropriate.

Fractions of a Share will be rounded down to the nearest whole Share. If the calculations produce less than 200 Shares, the Grower will be entitled to 200 Shares. The maximum number of Shares which may be issued for the purposes of the Scheme is 2,400,000.

-
- Issue price The issue price per Share will be the volume weighted average price of Shares on the NZX Main Board over the 10 business days ending two business days before the issue of the Shares. That price may be adjusted by the Board at its discretion to take account of any event occurring during that period of 10 business days, or any transaction or circumstance that in the opinion of the Board is exceptional or unusual.
-

Loan	<p>Seeka will make a loan to the Trustee on your behalf to fund the whole issue price of the Shares issued to the Trustee on your behalf. That loan will be on the following terms:</p> <ul style="list-style-type: none"> – it will not bear interest; – it may only be applied for the purpose of acquiring Shares; – all distributions in cash (after tax deductions) paid in respect of the Shares will be applied in repayment of the loan; – the loan will be limited in recourse to the Shares and may be secured over the Shares by a security in such form as the Board may require; and – the loan will be repayable by you if you decide to have the Shares transferred to you as described below under “Right to Shares”.
<hr/>	
Terms of Shares	<p>The Shares will be fully paid ordinary shares in Seeka which will have all of the rights (including voting and dividend rights) of, and rank equally in all respects with, the existing fully paid ordinary shares in Seeka.</p>
<hr/>	
Voting rights	<p>While Shares are held by the Trustee on your behalf, the Trustee will exercise the voting rights on those Shares in accordance with your directions. If you do not direct the Trustee how to vote, the Trustee will abstain from voting in respect of the Shares held on your behalf.</p>
<hr/>	
Distributions	<p>All cash distributions (after tax deductions) paid by Seeka in respect of Shares held on your behalf by the Trustee will be applied by the Trustee first, to pay any amount of income taxes payable by you in respect of the cash distribution and then, to repay any outstanding balance of your loan that relates to the Shares. Finally, if your loan has been repaid, any part of the cash distribution remaining will be paid to you.</p>
<hr/>	
Restrictions on sale and transfer	<p>You are not able to, and cannot require the Trustee to, sell, transfer or encumber the Shares otherwise than in accordance with the Scheme Rules. Once the Shares have been transferred to you under the Scheme Rules, you will be free to transfer or encumber the Shares (subject to applicable law).</p>

Right to Shares	<p>If the Board is satisfied that all fruit from your Orchard(s) has been supplied to Seeka or one of its subsidiaries for:</p> <ul style="list-style-type: none"> – in the case of kiwifruit and Kiwiberry, the period from 1 February 2024 to 30 June 2026; and – in the case of avocado the period from 1 July 2024 to 31 March 2027, (“Supply Period”) <p>you will be entitled to elect to have all of the Shares transferred to you. Seeka will send you notice of this fact and the date by which you must make your election.</p> <p>You must notify Seeka of your election before the specified date and repay the outstanding balance of the loan before the Shares will be transferred to you. The Board’s decision as to whether all fruit from your Orchard(s) has been supplied to Seeka for the Supply Period will be conclusive.</p>
<hr/>	
Loss of Rights	<p>If the Board considers all fruit from your Orchard(s) was not supplied to Seeka during the Supply Period, or if you do not elect to have all the Shares transferred to you by the due date for your election, you will forfeit all rights to all Shares and cease to have rights under the Scheme.</p> <p>On forfeiture of your Shares, the Trustee will purchase your beneficial interest in the Shares for a consideration equal to the outstanding balance of the loan that was advanced to the Trustee on your behalf to pay for the Shares. This consideration will be satisfied by way of a novation (i.e. transfer) of your loan to the Trustee (so that the Trustee will become liable to Seeka in respect of that loan, rather than you). The Trustee will cease to hold Shares on your behalf.</p>
<hr/>	
Sale of Orchard	<p>If during the Supply Period, you sell your Orchard:</p> <ul style="list-style-type: none"> – you must notify Seeka in writing of the sale and the name(s) of the new owner(s) of the Orchard; – you will nevertheless retain rights under the Scheme; and – supply by the new owner of the Orchard will be deemed to be supply by you, so that if you and the new owner together supply all fruit from the Orchard to Seeka for the Supply Period, you will for the purposes of the Scheme be deemed to have supplied that fruit, and will have the rights outlined under “Right to Shares” above. However, if you and the new owner together do not supply all fruit from the Orchard to Seeka for that period, the paragraph above headed “Loss of Rights” will apply. <p>It is up to you to make arrangements, on the sale of your Orchard, for the new owner to continue to supply Seeka, if you wish to retain your rights under the Scheme.</p>
<hr/>	
Tax	<p>Any tax that is payable in connection with the issue or transfer of Shares to the Trustee, the transfer of Shares to you by the Trustee, any payment made to you under the Scheme, any dividends declared and paid by Seeka in respect of the Shares or the loan advanced to you, is your responsibility.</p>
